

Review Request Email Templates for Landscaping Businesses

Use these templates to follow up with clients after a landscaping job is completed. Each message is crafted to be clear, respectful of the customer's time, and focused on getting honest reviews.

Just copy, personalize where needed, and send.

| Simple & Friendly

Subject: Quick favor? We'd love your feedback

Hi [First Name],

Thanks again for choosing [Your Company Name] for your landscaping needs. It was a pleasure working on your project.

If you're happy with the results, would you mind leaving us a quick review? It helps others find us and helps us grow.

Thanks for trusting us with your outdoor space!

Sincerely,

[Your Name]

[Your Company Name]

Consistent follow-up leads to more reviews, stronger local SEO, and greater trust with future clients. Make review requests part of your standard project wrap-up process ideally within 1–3 days of completing the job, while the experience is still fresh.

Feel free to test different versions to see what resonates best with your clients. Keep it genuine, and always make it easy for them to respond.
